

JAGADAMBHA COLLEGE OF ENGINEERING AND TECHNOLOGY, YAVATMAL

DEPARTMENT OF COMPUTER ENGINEERING

Action taken based on stakeholder's feedback for enrichment of curriculum

Session 2018-19

Feedback was Collected from following stakeholders

Sr. No.	Stakeholders	Count
1	Students	60
2	Teacher	13
3	Alumni	20
4	Parents	46

Recommendations	<ol style="list-style-type: none">1. Training program and workshop should be arranged on recent technologies.2. More practice for theory questions should be required3. Provide Soft skill & Personality development classes for weaker students4. Industry oriented knowledge and Learning scheme should be implemented.5. Suggested Personality development program.6. Provide internship to students
Action Taken	<ol style="list-style-type: none">1. The workshop on Anroid was arranged.2. We had given the various assingments of resp. subjects also conducted surprised test in class.3. We had arranged Personality development classes for weaker stuents from each class4. We had arranged workshop, training program and Industrial visits for the students.5. Organized soft skill, English speaking classes, Personality development training for Students under Training and placement department .6. Sent students for internship at the start of session.

DEPARTMENT OF ELECTRICAL ENGINEERING

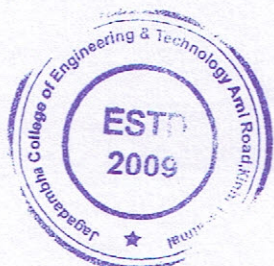

Action taken based on stakeholder's feedback for enrichment of curriculum

Session 2018-19

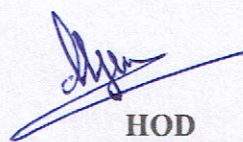

Feedback was Collected from following stakeholders

Sr. No.	Stakeholders	Count
1	Students	90
2	Teacher	10
3	Alumni	18
4	Parents	52

Recommendations	<ol style="list-style-type: none">1. Industry oriented knowledge and Learning scheme should be implemented.2. Soft Skill related program should arranged.3. Internships are to be made available to students for better industrial exposure.4. More practical knowledge should be provided to students.
Action Taken	<ol style="list-style-type: none">1. Various Industrial Visit was arranged for 2nd, 3rd and final year Students for enhancing industrial knowledge.2. Internship at Thermal Power Plant, Solar Power Training and Manufacturing, Repairing and maintenance of transformer was provided for students.3. Soft Skills & Personality Development arranged for Third Year Students4. Session on soft skill development for final year Students was conducted.
