Sarkhani, Mahur, Nanded

Maharashtra, India .

Dear Karishma Jitendra Mehata,

Welcome to Mphasis. It gives me great pleasure to invite you to join the family of Mphasis.

We are pleased to offer you the position of a Trainee Associate Software Eng. in Band 5 and Level 1 with our organisation. The gross compensation will be **INR 2,50,000/- (Two Lakhs Fifty Thousand rupees only)** per annum.

You are required to sign a training bond and agreement for **INR 1,00,000/- (Rupees One Lakh Only)** for a period of 24 months. This bond is applicable from your date of joining the company. The bond for the complete amount of **INR 1,00,000/- (Rupees One Lakh Only)** would be recovered if you resigned within 24 months.

Upon successful graduation from The Mphasis Learning Academy by securing minimum marks in various training modules and completion of 3 months in Mphasis:

- Your gross compensation will be revised to **INR 3,25,000/- (Rupees Three Lakhs Twenty-Five Thousand Only)** per annum
- This salary change will be effective from the subsequent month after completion of 3 months from your date of joining

Mphasis is defined by a strong and intrinsic culture that sets us apart. Our DNA, while evolving through various transformations, has still fundamentally been driven by the same core values. Customer centricity has been one such tenet that influences every Mphasisian. We strive to understand our customer's need, staying ahead of the curve to deliver best-in-class service. Equally crucial, is our outcome focus, wherein our eyes stay on the end result without compromising on our quality, ethics and people. We draw our greatest strength from our people. Hence, empowering our workforce has gone hand-in-hand with greater accountability, thereby creating responsible citizens of the world. As we redefine what business success means in the changing landscape, we believe in inculcating the spirit of experimentation so that established systems and ways of doing things are constantly tested, questioned and disrupted, Imagination,
