internal assesment/head of passing.

- e) If an examinee is granted grace marks for placing in a higher division, these marks shall be shown with a sign of one plus sign (Viz.+) with added marks above the head or right side of the original aggregate marks in the Tabulation Register with a remark Division vide Ordinance No 18 of 2001. However, in the statement of marks these grace marks shall be included in the scored aggregate marks and shall not be indicated. They are to be carried back to the lowest scored marks in theory paper.

**C Rule for granting Grace marks for getting Distinction in the subject only.**

**Rule-III-**

An examinee who passes in all the subjects and heads of passing in the examination without availing the benefit of either grace marks under Rule A-1 (PART ONE) or condonation marks under Rule A-1 (PART TWO) of this ordinance and whose total number of marks in the subject's falls short by not more than 3 (three) marks for getting distinction in the subject's shall be given necessary grace marks up to 3 (three) in maximum two subjects, subject to maximum 1% of the total marks of that Head of passing, whichever is more, in a given examination.

**Notes:-**

- a) The post graduate students giving a declaration for higher division shall also be considered eligible to this rule.
- b) If these grace marks result in a fraction, it shall be converted in to the next higher number.
- c) The provisions of grace mark under this Rule shall not be applicable to the candidates who remain absent for theory examination or part of it and /or practical/sessional/ internal assesment/head of passing.
- d) If an examinee is granted grace marks for getting distinction, those marks shall be shown with a sign of two plus signs (Viz.++) with added marks above the head or right side of the original marks in the Tabulation Register with a remark Distinction vide Ordinance No.18 of 2001. However in the statement of marks these grace marks shall be included in the scored marks and shall not be indicated. They are to be added in the grand total.

**PART TWO**

**A Rule for condonation of marks for passing in one subject only to pass the Examination.**

**Rule-I :-**

If an examinee fails in only one subject having passed in all the other subjects his/her deficiency of marks in such subject may be condoned by not more than 1% of the aggregate marks of the examination or 10% of the total number of marks of that subject in which he/she is failing, whichever is less. However, condonation in one subject or minimum aggregate marks of passing be restricted to maximum upto Ten marks only.

Provided that in respect of examinations governed by MCI, CCH, CCIM, DCI rules, condonation marks upto a maximum 5 (Five) to pass in a subject and examination may be allotted to an examinee. These 5 (Five) marks may be distributed in hands of passing of that particular subject as per requirements.

**Notes :-**

- a) The benefit of condonation marks under this is concurrent with the rules and guideline, of professional statutory bodies at the All India Level such as AICTE, MCI, BCI, CCIM, CCH, DCI, NCTE, UGC etc.

- b) The Head/s of passing for this rule shall be as per the provisions of the ordinance of the concerned examination.
- c) In case a subject is divided into more than one head of passing, the condonation marks may be distributed amongst these heads of passing as per requirements.
- d) If condonation marks under this rule results in a fraction, irrespective of its denomination shall be converted into the next higher number.
- e) If there are more than one University examinations prescribed for a Degree /Diploma/ Certificate course examination, this condonation shall be based on the maximum marks prescribed for that particular examination, which an examinee is taking at a time.
- f) In a case of post graduate students giving declaration under concerned ordinance, the provisions of this rule shall not be applicable.
- g) The provision of condonation marks shall not be made applicable to those examinees who remain absent for theory subject /paper/practical/sessional/Internal assessment for an examination.
- h) The provision of condonation marks under this rule shall be made applicable only after the application of the provision of the ordinance 1 of 1985 for incentive marks and thereafter the application of grace marks under Rule A-1 (PART ONE) of this ordinance. However incentive marks under Ordinance 1 of 1985, grace marks under Rule A-1 (PART ONE) and condonation marks under Rule A-1 (PART TWO) of this Ordinance shall not be made applicable together for passing in a subject /paper/practical /sessional/internal assessment/ head of passing or an examination.
- i) The condonation marks under this rule shall be shown by two astericks with added marks over the head or right side of the original marks in the Tabulation Register. However, in the statement of marks the condonation marks be included in the scored marks and shall be shown by the sign of two astericks (Viz.\*\* ) above the head or right side of the consolidated marks. They are to be carried forward to the grand total or be carried backwards to the lowest earned marks of theory head as the case may be, with the same illustrations.
- j) If an examinee passes by granting condonation marks a remark passes vide Ordinance No.18 of 2001 shall be written in the Tabulation Register and on the statement of marks the meaning of the two astericks be printed at the bottom as follows:

Note: \*\* = Passes by Condonation Marks vide Ordinance No.18 of 2001

4. An examinee passes an examination with grace or condonation shall not be eligible to be placed in the merit list, any University scholarship, medal, prize or any other University award pertaining to that examination.
